

## High Roller Reining Classic – 2022 Stallion Service Donation

The High Roller Reining Classic has developed the HRRC Stallion Service Online Auction with 100% of the proceeds going toward the events Aged Events prize money for the following year. With our event scheduled in September, stallions can be promoted at no cost to the stallion owner for the upcoming breeding season. (*Mare owner will be responsible for all chute fees, mare care costs and/or semen shipping costs.*)

In return for the exposure and promotional opportunity, the High Roller Reining Classic requests one stallion service, to be donated for online auction beginning January 25 and ending February 1, 2022.

### Stallion Owner Incentive ~

By taking part in this stallion service auction the stallion owner will receive at the 2022 event:

- 10 x 10" booth per stallion, (maximum 10' x 30') on the arena concourse of the South Point Arena.
- 60 second video, to be shown throughout the event, featured on the live internet broadcast via HorseShowGlobal.com, the South Point Hotel and Arena's Jumbotron, and South Point Hotel and Casino (video provided by sponsor; video must be received by event management by **August 15<sup>th</sup>**)
- Two stallion banners (maximum size 4' tall x 8' wide with grommets) displayed, one on each side of the South Point's main arena.
- 36" x 48" color stallion poster (produced by HRRC) displayed on South Point Arena concourse. *Artwork provided by stallion manager or owner.*
- Stallion logo and link to stallion web site on the HRRC web site; [www.highrollerreiningclassic.com](http://www.highrollerreiningclassic.com)

We invite you to donate a breeding to your stallion and take part in this exciting and successful program which is offered annually through the High Roller Reining Classic. (Donated service is for onsite ranch breeding, or cooled shipped semen ONLY. Mare owner is required to pay extra for frozen semen, if available. Mare owner is responsible for all related expenses including, but not limited to chute fees, shipping, veterinary expenses and mare care.)
